3. Annual Test of ARC's Notification System

We conducted our annual test of the atHoc emergency notification system on April 20, 2015 and the test was a success. We want to thank our customers for their participation in the test. Our success can be directly attributed to our customer's providing us with updated contact information.

If your agency did not receive a call, contact Michael Satterfield at 304-480-5527 or Michael.Satterfield@Fiscal.Treasury.Gov.

4. Fiscal Year 2016 Customer Agreements

We are working diligently to finalize our preparation work to ensure the annual customer agreements are distributed in a timely manner so each agreement is signed prior to the beginning of the Period of Performance. As with previous years, the Administrative service agreements (Financial Management, Procurement, Travel, Human Resources and related systems) will be distributed separately from the Information Technology agreements. We are projecting that customers will begin receiving their Fiscal Year 2016 agreements by July.

For more information, contact Michael Satterfield at 304-480-5527 or Michael.Satterfield@Fiscal.Treasury.Gov.
