2. WebTA System Refresher Training for Timekeepers

The HR Systems Branch offers WebTA system refresher training to timekeepers every spring and fall at no additional charge to our customers. This is an opportunity for customers new to the timekeeper role to receive instruction in using WebTA and it also serves as a refresher training for more experienced timekeepers. Fall refresher training sessions are being scheduled on the following dates with both morning and afternoon sessions available. Designated WebTA Human Resources contacts have received notification of the training and Timekeepers will receive an email within the next few weeks informing them how timekeepers can sign up for a class.

October 15, 20, 22, 2020 (Virtual)

For additional information on customer training, contact HR Systems at 304-480-8000 (Option 4 then option 1) or email HRSystems@fiscal.treasury.gov.

*Please note, Fiscal Service is excluded from this customer refresher training. The Leave Administration Branch provides WebTA refresher training for Fiscal Service Timekeepers and Supervisors. For additional information on Fiscal Service WebTA training, contact the Leave Administration Branch at 304-480-8400 or Payroll@fiscal.treasury.gov.
