## FULL STORIES

### **1. Grants Management**

As we continue to look for opportunities to improve and expand our service offerings, we are analyzing the benefits of providing a Grants Management solution to our customers. We are early in the process of determining what our customers may be interested in, including a "Full Service" offering, a Platform-only offering, and even potential hybrids of the two. Therefore, if any level of Grants Management support is a service your agency would be interested in obtaining, we are very interested in your need(s), ideas, or specific requirements.

For additional information, contact Mario Coon at [Marios.Coon@Fiscal.Treasury.gov](mailto:Marios.Coon@Fiscal.Treasury.gov) or 304-480-7410.

### **2. Recordkeeping Tips for 1099 Reporting**

We submit IRS 1099 tax forms for calendar year 2014 on behalf of our customers. Below are some recordkeeping tips for you to consider throughout the year:

- Record all Purchase Card Convenience Checks on the Convenience Check Log as they are issued, rather than trying to collect the data at the end of the year. Refer to the convenience check log on your ARC customer web page.
- Complete all fields of the log as this information is critical for preparing an accurate 1099 form.
- Be careful to assign the correct Budget Object Code (BOC), as only certain codes are eligible for reporting. Refer to your ARC customer web page for current BOC listing.
- Submit your Convenience Check Logs, Debt Forgiveness, and Confidential Payment Information to [ARC1099@bpd.treas.gov](mailto:ARC1099@bpd.treas.gov) by December 31.
- Forward any CP2100 and CP2100a notices that you receive from the IRS for TIN number and name discrepancies throughout the year to [ARC1099@bpd.treas.gov](mailto:ARC1099@bpd.treas.gov).

For more information about ARC 1099 reporting process, contact Shannon Allen at 304-480-7507 or [ARC1099@bpd.treas.gov](mailto:ARC1099@bpd.treas.gov)
