1. PRISM Requisition and Buyer Refresher Training

We provide PRISM Requisition and Buyer refresher training to assist our customers in their efforts to effectively transition newly hired staff and meet other potential training needs. This training is provided to our customers at no additional charge. We will conduct PRISM refresher training sessions May 8, 2017 – May 11, 2017 in Washington, DC. All current PRISM users will receive information, via email, about how to sign up for the classes.

For additional information, contact PRISM Support at 304-480-8000 (Option 2) or PrismSupportTeam@Fiscal.Treasury.Gov.

2. Selection of Financial Statement Solution

We are pleased to announce the selection of OneStream Software XF on March 31, 2017 to assist in the preparation of financial statements, notes, supporting reconciliations, and the Agency Financial Report (AFR) as required in the OMB A-136. This new cloud-based tool will create efficiencies and offer a more robust solution for our customers. The system will go live on September 30, 2017 with limited functionality and will have a direct connection to Oracle by March 31, 2018. We'll soon be developing an integrated project plan for a phased customer implementation by September 2017. We are excited about this product and can't wait for the opportunities we know it will deliver!

For additional information contact, Sandra Bumgarner at 304-480-5207 or Sandra.Bumgarner@Fiscal.Treasury.Gov

3. Fiscal Year 2018 Customer Agreements

We are working to ensure the annual customer agreements are distributed in a timely manner so each agreement is signed prior to the beginning of the Period of Performance. We recently finished standardizing our service descriptions and are currently going through our pricing exercise. As with previous years, the Administrative service agreements (Financial Management, Procurement, Travel, Human Resources and related systems) will be distributed separately from the Information Technology agreements.
