**FULL STORIES**

**1. FY 22 Interagency Agreements**

We recently kicked off our FY 22 interagency agreement lifecycle. Our Business Office is currently targeting the month of May to finalize each customer agreement package for distribution. More information will be provided as we move further along in our process. For additional information, contact Sally Layfield at 304-480-7228 or [sally.layfield@fiscal.treasury.gov](mailto:sally.layfield@fiscal.treasury.gov).

**2. Budget and Pricing Drop-in Webinars**

The ARC Business Office is offering two identical budget and pricing information sessions on January 7 (1-2pm) and January 12 (11-12pm EST). Each session will explain how ARC formulates the annual budget and subsequently allocates price per service to our customers. The information sessions are designed for anyone who is interested in how prices are determined and will be open for questions. If you would like to attend and have not received an invitation, contact Sally Layfield at [sally.layfield@fiscal.treasury.gov](mailto:sally.layfield@fiscal.treasury.gov) with your preferred date.
