March 2017
Agenda

• Introduction
• What MAX Is
• What MAX Is Not
• Benefits of MAX
• MAX System Security
• ARC’s MAX Functional Structure
• Contact Info
What MAX Is

• MAX is a government-wide collaboration system hosted by OMB

• MAX provides a wide variety of collaboration and information sharing tools for internal and external partners

• MAX provides flexible structure set up, customization, security and access controls
What MAX Is Not

• MAX is not a replacement for Customer Access Pages

• MAX is not additional work

• MAX is not a replacement for customer service interaction
MAX Benefits
